CAMPBELL CHILDREN'S SCHOOL BOARD IMPROVEMENT PLAN

Campbell Children's School Board Authority aspires to Build Our Brand...

Challenge

We, the Trustees, challenge ourselves to align with our Centre in branding and as a community resource.

In order to ensure that Campbell Children's School is a leader in Special Education, the Campbell Children's School Authority Board of Trustees aspires to Build Our Brand and promote ourselves as a community resource, highlighting the remarkable work of our students and staff. We are honoured to be the educational partner of Grandview Children's Centre.

Campbell Children's School Board Authority is committed to Building Staff Capacity...

Celebrate

We, the Trustees, celebrate the successes of our staff and support their endeavors to reach higher in their commitment to our students.

The Board of Trustees at Campbell Children's School is committed to building staff capacity through supporting its staff in their leadership endeavors, pursuing the latest innovative competencies, and enhancing our staff's ability to achieve our mission to nurture each child's unique abilities through programming to develop skills, self-confidence and independence, for a successful transition to the home school.

Campbell Children's School Board Authority will conduct itself with Good Governance...

Strengthen

We, the Trustees, will strengthen our Board through the transparency of our conduct.

The Trustees of Campbell Children's School Authority are Ministry of Education appointed community members whose singular focus is the promotion of student achievement and well-being, and ensuring that all students are able to reach their fullest potential.
